Opening a restaurant is one of the riskiest of business ventures, but opening in the middle of a pandemic takes nerves of steel. That hasn't stopped several local entrepreneurs from debuting new eateries across San Diego County this month.

Eggies, a walk-up brunch concept developed by Rise & Shine Restaurant Group, has opened in three locations around the county since May. The takeout-only restaurants serve egg-, poultry- and meat-based breakfast sandwiches, jarred French toast and potato hash side dishes and cooked-to-order churros. Open from 7 a.m. to 3 p.m. daily, the locations are at 707 G St. in East Village and 2400 Historic Decatur Road, Suite 103, in Liberty Station, as well as the newest location that opened just last week, at 4465 Mission Blvd. in Pacific Beach.
